ITALIAN HOME

# About us

*Bellini Modern Living was established in 2002 as a wholesaler and distributor of modern contemporary furniture. The company is based in Toronto and distributes throughout Canada, the United States, and South America.*

*Bellini Modern Living is renowned for offering high quality and innovative furniture, and is passionate about providing unparalleled quality furnishings that enable individuals to express their personal style in fresh and exciting ways. Whether you're looking for dining, living or entertaining furniture, your home will benefit from the exceptional collections Bellini has to offer.*

*Bellini has been working with some of the most talented American and European designers to create unique and original furniture exclusively for the company. Meet our designers on page 223.*

*Bellini's goal has always been to produce European style furniture at its highest level of quality and design and we believe we provide the best value for the quality and workmanship of our products.*

*Bellini produces its products in Italy and throughout Asia, and continues to develop products that have a diverse but fashion forward appeal. You can view our products at showrooms in Toronto and High Point. Please visit the "Events" section on our website for locations and trade show dates.*

A dining room with a wooden table and two chairs. The table has a dark, sculptural base. Two chairs with light-colored upholstery and wooden frames are positioned around the table. A chandelier with multiple black shades hangs above the table. A window on the left shows greenery outside. The floor is made of wood in a herringbone pattern. A rug is partially visible in the foreground.
