

Bellini Warranty

All finishes, parts, and components of new furniture and merchandise sold under the Bellini Modern Living brand are warranted for a period of ONE YEAR from the date of invoice. This warranty guarantees freedom from defects in materials and manufacturing under normal use, subject to the terms, conditions, and exclusions stated herein. The warranty covers replacement of defective components, repair of the defective item, or full replacement of the product, depending on the nature of the issue. In most cases, Bellini Modern Living will first attempt to resolve any defect by supplying replacement parts. If this is not feasible, the item may be repaired or replaced at Bellini's discretion. For minor issues, reasonable labor costs may be reimbursed upon approval and submission of a paid invoice.

Transportation costs related to returning items to the original place of purchase or to Bellini's Toronto facility are not covered. This warranty applies exclusively to the original purchaser and is non-transferable. It remains valid for both residential and non-residential settings, provided the product is designed for such use. The warranty becomes void if a non-contract rated product is used in a commercial environment or if unauthorized modifications or re-upholstery work have been performed.

The warranty does not apply to damage resulting from misuse, neglect, accidents, excessive force, improper cleaning, or exposure to environmental conditions such as direct sunlight, humidity, water, alcohol, dye transfer, or chemical treatments. Credit notes issued for returns or damage must be used within one year; unused credits will expire after that period.

To initiate a claim, any defect must be reported within the warranty period. Consumers are required to contact the retailer directly with details of the defect and submit the required documentation. Claims should not be made directly to Bellini. All issues are subject to review. Any damage must be reported within 3–4 days of receipt and accompanied by clear photographs (including both full item and close-up of damage), the purchase order number, and a description of the problem, sent to: service@bellinimodernliving.com. Shipping-related damages must be addressed directly with the shipping provider.

This limited warranty is the sole warranty provided and overrides all other express or implied warranties. Bellini Modern Living disclaims any implied warranties of merchantability or fitness for a particular purpose beyond the scope and duration stated herein. Remedies are strictly limited to repair or replacement of defective products. Bellini Modern Living accepts no liability for incidental or consequential damages, including but not limited to, property damage, personal injury, loss of use, time, or other financial losses.
