

Installation Guide

Picture 1

Picture 2

Check products and accessories: A*1; B*2 (25mm); C *2; D*1; E: light source *3 (G9); Installation time: 30min. Number of installations: 1. Installation difficulty: 1

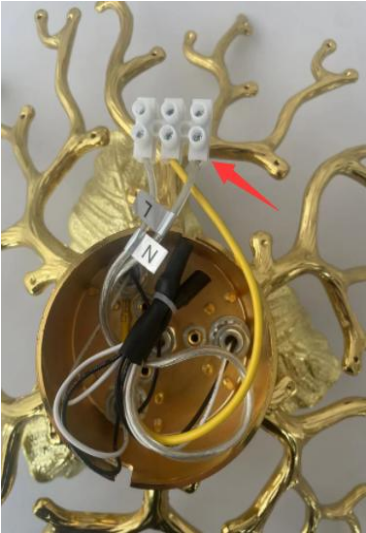

Step 1: Remove the mounting strap, and position the pre-drilled holes aligning the mounting strap. Punch the holes then secure the hanging plate onto the wall using the screws (B) and rubber plug (C).

Picture 3

Step 2: Install the light source (E) and test.

Picture 4

Step 3: Connect zero wire (N), fire wire (L), and ground wire into the terminal (C), then install them to the home supply source. Pay attention to distinguish the zero wire (N) and fire wire (L).

Picture 5

Step 4: Secure the light body to the hanging plate.
