

Installation Guide

Picture 1

Check products and accessories: A*1; B*1; C*1; D*3 (25mm), E*3 Installation time: 30min; number of installations: 1; installation difficulty: 1.

Picture 2

Step 1: As shown in the picture create the three holes on the wall.

Picture 3

Step 2: Connect zero wire (N), fire wire (L), and ground wire into the terminal (C), then install them to the home supply source. Secure the light body (B) onto the wall using the screws (D) and rubber plug (E).

Picture 4

Step 3: Install the E26 light source (not provided) and test it, then put A into the light frame (B).

Picture 5

Complete the installation.
