Handcrafted Since 1976

Since 1976, Harbour has been synonymous with luxury outdoor furniture. Born in Australia and now based in the US, we're a global leader in luxury outdoor design.

Harbour stands out as the ultimate destination for outdoor design with a distinctive range of collections featuring unique designs of incredible comfort and durability — all inspired by a profound connection to the rich Australian coastal landscapes and lifestyle we call home.

Palm Beach Teak

ELEVATED COASTAL ELEGANCE

A nod to Sydney's iconic Palm Beach with its stately coastal pines. Rounded backs, vertical rope detailing and a harmonious mix of materials infuse classic silhouettes with modern elegance.

A Family Story. A Culture of Craftsmanship.

The name Condos has always been synonymous with the word blacksmith. The intricate details of metalwork and craftsmanship have been carefully passed down from one generation to the next. Harrison and Nicholas Condos' passion for design inspired them to grow their father's Australian company into Harbour, a global leader in luxury outdoor designs.
